## REPLENISHMENT

**“WE PROTECT YOUR *CA\$H...***  
***...AND YOUR FUTURE”***

When you are ready to say goodbye to the excuses and aggravation that the national armored companies can't avoid, it's time to let a Financial Community focused company show you how timeliness and flexibility combined with a local, reachable staff can simplify your life. On-line cash management and ordering is easy through our web-portal and if there is ever an issue, help is one call away. Shields has modernized our cash replenishment service and is breaking new ground with innovative approaches to delivery and cash management. Our Services and Smart Safe programs can be valuable to your small business clients who demand provisional credit flexibility to better manage their business.
